From St. Anne, we can learn a lot about how to continue to persevere in our faith during hard times, and we can learn a lot about how to trust in God when we don't see where He is leading us.

This e-book contains a special novena to St. Anne that will help guide you in praying for whatever special intention you have. It also has meditations that go with each daily prayer, and those meditations will also give you more to reflect on so that you can grow in greater faith, hope and trust in the Lord.

Every time we pray, we should emulate Jesus' attitude in Gethsemane when He said, "Not my will but yours be done." This e-book is about learning to pray for and trust in God's will for your special intention.

St. Anne is the patron saint of:

Mothers

Grandmothers

Unmarried women

Women in labor

Infertile women

Housewives

Cabinet-makers

Miners

She is also often asked for her intercession for healing and finding a spouse.
