My name is Willow Longville. I live in a village called Budbury on the stunning Dorset coast with my mum Lynn, who sometimes forgets who I am. I’m a waitress at the Comfort Food Café, which is really so much more than a café... it’s my home.

For Willow, the ramshackle café overlooking the beach, together with its warm-hearted community, offers friendship as a daily special and always has a hearty welcome on the menu. But when a handsome stranger blows in on a warm spring breeze, Willow soon realises that her quiet country life will be changed forever.

Curl up with this gorgeous novel and make yourself at home at the Comfort Food Café.
