For the first time ever, all three novellas in the Tempted Trilogy by Elizabeth Kelly are available as one set.

Lucy Reid has always prided herself on her self-control and her ability to keep her emotions and desires in check. The arrival of her new boss, Jason Young, has her co-workers competing to see who can bed him first. Lucy refuses to admit her own attraction to him, and his rude behavior towards her only strengthens her resolve to ignore her growing attraction.

When a power outage traps her in the elevator with her sexy new boss, she soon discovers his coldness hides his own dark desire for her. Jason is determined to show her just how good it can feel to lose control, and Lucy is aching to give in to the sweet temptation.

Author's Note: This book contains explicit and steamy sex scenes that may not be your cup of tea. It is intended for mature readers only.
