This delightful and inspiring journal takes you on an exploration through the book of Romans. Insight, encouragement, and thought-provoking questions, motivate you to dig deeper into scripture, and hold fast to your faith. The style of this journal is perfect for small group study, as members can work on these booklets at home and return for discussion. It's also ideal for those who prefer to study alone. Outlining the road to salvation, Paul shows us the purpose of man and the mystery revealed through Jesus Christ. Romans teaches us that all have sinned and come short of the glory of God. There is not one that is righteous apart from our Lord. There's not one that seeketh God; there's not one that doeth good. For it is God who seeks and who saves, and it's only through Him that we find righteousness and peace. Inside this book, you'll find thought provoking questions, quotes from some of our favorite Bible commentators, space to jot down your thoughts, and whimsical images that help make your study time creative.
