**The detective team of Sir Arthur Conan Doyle and Dr. Joseph Bell star in this “ingenious” historical mystery (*The New York Times Book Review*).**

As many fans of Sherlock Holmes know, Sir Arthur Conan Doyle found inspiration for the great fictional detective in a brilliant Scottish surgeon named Joseph Bell. In an era when science was not often considered in the course of criminal investigations, Bell’s emphasis on observation and deduction made him a pioneer in forensics.

In *The Dark Water*, Holmes’s creator joins forces with Dr. Bell to take on Victorian vagabonds, criminal masterminds, and all manner of mysteries. The pair relentlessly pursues the vicious killer Thomas Neill Cream—and visits a sleepy seaside town where a seventeenth-century legend known as the Dunwich witch has taken on new life.

With “a gripping plot and psychologically sophisticated characters” (*Publishers Weekly*, starred review), *The Dark Water* is a thrilling, atmospheric adventure for historical mystery lovers, offering “an intellectual treat and a downright guilty pleasure” (*The Washington Post*).
