Part of the trilogy of memoirs that inspired the television show *The Durrells in Corfu* A naturalist's adventures with animals—and humans—on a Greek island.

When his family moved to a Greek island, young naturalist Gerald Durrell was able to indulge his passion for wildlife of all sorts as he discovered the new world around him—and the creatures and people who inhabited it. Indeed, Durrell's years growing up on Corfu would inspire the rest of his life.

In addition to his tales of wild animals, Durrell recounts stories about his even wilder family—including his widowed mother, Louisa, and elder siblings Lawrence, Leslie, and Margo—with undeniable wit and humor.

The final chapter in Durrell's reflections on his family's time in Greece before the start of World War II, *The Garden of the Gods* is a fascinating look at the childhood of a naturalist who was ahead of his time.

This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.
