Years spent running from your past. Today it catches up.

A gripping psychological thriller for fans of *Gone Girl* and *The Girl on the Train*

Leah Mills lives a life of a fugitive - kept on the run by one terrible day from her past. It is a lonely life, without a social life or friends until - longing for a connection - she meets Julian. For the first time she dares to believe she can live a normal life.

Then, on the fourteenth anniversary of *that* day, she receives a card. **Someone knows the truth about what happened.** Someone who won't stop until they've destroyed the life Leah has created.

But is Leah all she seems? Or does she deserve everything she gets?

Everyone has secrets. But some are deadly.
