## Escape to Paris this summer and prepare to be swept off your feet...

Anouk LaRue used to be a romantic, but since she had her heart well and truly broken her love life has dissolved into nothing more than daydreams of the perfect man. Retreating to her extraordinary Little Antique Shop has always been a way to escape, because who could feel alone in a shop bursting with memories and beautiful objects...

Until Tristan Black bursts into an auction and throws her ordered world into a spin.

Following your heart is a little like getting lost in Paris - sometimes confusing and always exciting! Except learning to trust her instincts is not something Anouk is ready to do when it comes to romance, but the city of love has other ideas...
