Clever, cunning and highly skilled—there's only one Bianca St. Ives and don't you dare forget it.

Bianca St. Ives was recently put through the wringer, but she came out the same way she always does—the way her father trained her to—hungry for a fight. Still navigating the fallout from a shocking revelation that's left a network of assassins' crosshairs trained on her, Bianca's ready to take fate into her own hands. It's kill or be killed, and she's got her finger flush against the trigger.

But as Bianca races to outmaneuver her tireless pursuers, her father loops her in on a job that might just do the trick: recover King Priam's Treasure, a collection of heavily guarded, priceless artifacts stolen by the Russians during World War II, and return it to Germany. Impossible? Maybe for some, but a high-risk heist is all in a day's work for Bianca St. Ives, especially when there's intel on the line—intel that could finally bring down the shadowy forces seeking to bury Bianca for good. Faced with threats that circle closer with every move she makes, she knows the stakes have never been higher, but when you're already living on borrowed time, you have to hustle if you want to live to see tomorrow.
