They loved one another.  
Fiercely. Possessively. Crazy.  
Always.

The love Finn and I share?  
It's the kind you can never recover from.  
The kind you never WANT to recover from.

That's why we'll do everything and anything to protect it.

When my past chases me all the way to The Outskirts, we have to make a choice.  
Let the lies destroy our chance at future together or...bury them deep in the swamp where they belong.
