The Road to Yale

Application, Essays, and Résumés that Wowed Yale Admission Officers

BY YALE ADMITTED STUDENTS

[Try Audible and Get Two Free Audiobooks](#)

Everyone you will read about was accepted to Yale. The authors contributed their common application essay, supplemental essay, why Yale and short questions and answers, along with activities, awards/honors, and high school courses. When you read each student's chapter, you are not reading an application package, you are reading a personal story. From each personal story, you could see how each student puts her/his pieces together to show who he/she is. We hope you will be able to draw inspiration from each story. More importantly, we hope it will help you put your pieces together and tell your personal story. Best of luck, and hope to see you soon at Yale.

This book is different from all the other books in the market. It not only contains each student's essays, but also contains each student's résumé and answers to all of the short questions.

- 15 complete résumés, 30 application essays (common and supplemental essays), 15 Why Yale and 90 Short answers to additional questions
- Grades and test score summaries for the admitted students
- Inside advice: comprehensive college preparation timeline starting from elementary school
