Willow Adams has been left with no choice. She's run away from home and straight to a mail-order bride agency. She has no idea what to expect, but never in her wildest dreams did she anticipate him.

Dane York needs a marriage of convenience. He doesn't have time to date, but he needs to have a certain image for his company, and some things are expected. Everything is perfectly planned out... That is, until he lays eyes on his new bride.

Warning: This classic trope is made to order with an obsessed billionaire and an innocent blushing bride. Grab your cozy socks and cuddle up with this ridiculously sweet novella.
