

PDF | The Whole Art of Detection:
Lost Mysteries of Sherlock Holmes

by Lyndsay Faye

[Try Audible and Get Two Free Audiobooks](#)

Internationally best-selling author Lyndsay Faye became enamored with tales of Sherlock Holmes and his esteemed biographer, Dr. John Watson, as a child and later began spinning these quintessential characters into her own works of fiction - from her acclaimed debut novel, *Dust and Shadow*, which pitted the famous detective against Jack the Ripper, to a series of short stories for the *Strand Magazine*, whose predecessor published the very first Sherlock Holmes short story in 1891.

In "The Lowther Park Mystery", the unsociable Holmes is forced to attend a garden party at the request of his politician brother and improvises a bit of theater to foil a conspiracy against the government. "The Adventure of the Thames Tunnel" brings to Holmes' attention the baffling murder of a jewel thief in the middle of an underground railway passage. With Holmes and Watson encountering all manner of ungrateful relatives, phony psychologists, wronged wives, plaid-garbed villains, and even a peculiar species of deadly red leech, *The Whole Art of Detection* is a must-listen for Sherlockians and any fan of historical crime fiction with a modern sensibility.
