**They bought her. They own her. Now they are going to get their money's worth.**

Eighteen-year-old Karen Hunter spent money she didn't have and now she must pay the price. She has been sold to a group of ten wealthy men, and under her society's strict laws on debt repayment, her beautiful, virgin body is theirs to use and enjoy in any way they desire.

Karen wasn't cheap, but as far as her new owners are concerned, she was worth every penny. Her cheeks blush delightfully as she is stripped bare for an intimate, thorough examination and her bottom reddens wonderfully under the strap when she earns herself a punishment. But best of all is the way her body betrays her as she is taken over and over in the most shameful of ways, leaving no doubt that despite her protests she is getting exactly what she has always needed.

**Publisher's Note:** *Theirs to Use* includes spankings, sexual scenes, intense and humiliating punishments, and strong D/s themes. If such material offends you, please don't buy this book.
