#1 *New York Times* bestselling author Iris Johansen delivers the thrilling, sexy story of a tough-as-nails woman who must learn to trust the man who has sworn to protect her—and love her—at all costs.

As the rebel leader of the revolution in his beloved country of Tamrovia, Sandor Karpathan is prepared to do whatever it takes for his cause—including kidnapping Alessandra Ballard, a beautiful American woman who's been targeted for murder. But Sandor soon discovers that protecting his hostage will be far more difficult than he imagined . . . especially when all he can think about is feeling Alessandra's sinfully curvy body pressed against his.

Forced to fend for herself from a young age, Alessandra can handle whatever comes her way. She doesn't need to be protected by an arrogant revolutionary. Though Sandor gives her no other choice but to flee with him, Alessandra refuses to let him in even as he tries to save her life. Yet sharing such close quarters weakens her resolve against her irresistible captor. And when Sandor's enemies catch up to them, their only hope of staying alive is for Alessandra to surrender her trust—and her heart.
