A shrewd, darkly-funny, wildly unpredictable crime novel that evokes the very best of Elmore Leonard, John Grisham, and Carl Hiaasen

A bankrupt lawyer and a greedy insurance adjuster concoct a personal injury scam involving a runaway grocery cart and recruit a half-wit golf course greenskeeper as their fall guy. But the plan goes horribly wrong, and as it spirals into a murderous fiasco, the grifters must deal with betrayals, shakedowns, bombs and mobsters to avoid prison... or worse, an early grave in a Southern California landfill.

"If crime paid, they say, it would attract smarter criminals. Jack Bunker's TRUE GRIFT is a rollicking misadventure that might deter anyone who's ever thought about making a quick buck off an insurance company. This first novel is perfect for fans of Elmore Leonard, Carl Hiaasen and Donald E. Westlake – which is to say, all smart readers."
--Joseph Finder, New York Times bestselling author of "The Fixer" and "Suspicion"

"First-time author Jack Bunker displays an effortless, vivid writing style reminiscent of Elmore Leonard with the satirical spin of Carl Hiaasen. It's hard to believe this is his first book. The dialogue is brisk, quick and witty, the situations outrageous but nonetheless believable, and the plotting air tight. The scam-gone-awry with murderous consequences may be hell for the shyster, but "True Grift" is heaven for the readers," Paul Levine, bestselling author of "Bum Rap"

Plenty, as you'll find out in this hilarious novel by Jack Bunker. Fans of Dan Jenkins will love this one," Bill Crider, multiple Shamus & Anthony Award-nominated author of "Outrage at Blanco" and "Between the Living & The Dead"
