****A stand alone 'opposites attract' story!****

CASSIE

I'm determined to leave my mistakes in the past.

These days I'm back in school, I'm surrounded by my wonderful, crazy family and I'm working for my dad.

Then Curtis Mulligan happens.

A supposedly reformed gang member from the rundown prison town where my folks grew up, Curtis looks like he was built for mayhem.

We have nothing in common.

If he hadn't taken a job working for my father, our paths wouldn't even cross.

But I can't admit that menacing mix of ink and muscle has flipped a switch inside of me.

It's an impulse I'm determined to ignore.

However, when Curtis turns out to be much more than he seems and steps between me and a bad situation, I wind up owing him a hell of a favor.

And I can't think of anything but paying him back...

CURTIS

I should have been dead a dozen times over but somehow I'm still here.

I'm grateful for the chance to keep my head down and act like a regular citizen. Screwing up isn't an option and getting naked with the boss's daughter is no way to thank the man for a job.

Besides, sweet, clueless Cassie Gentry isn't the kind of girl I'm used to entertaining myself with. I had planned to keep my hands off even if she begged for it.

But that was before I realized Cassie is much more than a pretty face.
She just might be the girl who can turn me around for good...

TURN is the latest book set in the Gentry world from USA Today and NYT Bestselling author Cora Brent. May be read as a stand alone.
