She can't run away from me...she's carrying my babies.

Serena, you're mine and only mine.

I will bring you back...and make you beg.

My life was just so perfect.

Money, Fame, Women - you name it, I had it.

And yet something seemed missing.

Until Her...

Her delicious, curvy package was made for me.

She's a sweet and spicy seduction...completely intoxicating - you could call her every man's dream.

And yet, I was a jerk and let her go.

I was a bigger jerk thinking she would wait for me.

She says she doesn't need me in her life now.

But one look into her luscious eyes and at that pregnant belly,

And I know...**I will do all it takes to make her mine.**

Author's Note: If you love Bad Boys, Billionaires, Second Chances, Secret Baby and Steamy yet Contemporary Romance, then this one's for you baby! No Cheating and a very memorable HEA!!!
