They'll kill me for my billion-dollar inheritance.

This farm is the only hideout I've found.

There's one rule:

Don't touch the farmer's daughter.

I try not to... at first.

Until I catch her in the kitchen one night in nothing but a T-shirt.

Tight little a\$\$ cheeks peeking out.

Perky breasts just begging to be touched.

Getting thrown out is not an option.

But the way she watches me is too hard to resist.

Her innocence begs to be taken.

Fu@k it.

Some things are worth dying for.

All Kira Blakely novels include alphas who know what they want and know how to treat a lady. This is a full length stand-alone steamy suspenseful romance novel. No cheating, no cliffhanger, and a guaranteed happily ever after.
