When Isabelle Coleman, a blonde, beautiful young girl goes missing, everyone from the small town of Denton joins the search. They can find no trace of the town's darling, but Detective Josie Quinn finds another girl they didn't even know was missing.

Mute and unresponsive, it's clear this mysterious girl has been damaged beyond repair. All Josie can get from her is the name of a third girl and a flash of a neon tongue piercing that matches Isabelle's.

The race is on to find Isabelle alive, and Josie fears there may be other girls in terrible danger. When the trail leads her to a cold case labelled a hoax by authorities, Josie begins to wonder is there anyone left she can trust?

Someone in this close-knit town is committing unspeakable crimes. Can Josie catch the killer before another victim loses their life?

Utterly gripping crime for readers who adored Angela Marsons, Rachel Abbott and Robert Dugoni. You will be sleeping with the lights on once you discover the first in this unputdownable new crime thriller series.
