HE SET HER UP. THEY'LL BRING HIM DOWN.

Welcome to Greenwich, Connecticut, where the lawns and the women are perfectly manicured, the Tito's and sodas are extra strong, and *everyone* has something to say about the infamous new neighbor.

Let's be clear: Emily Charlton does *not* do the suburbs. After leaving Miranda Priestly, she's been working in Hollywood as an image consultant to the stars, but recently, Emily's lost a few clients. She's hopeless with social media. The new guard is nipping at her heels. She needs a big opportunity, and she needs it now.

When Karolina Hartwell, a gorgeous former supermodel, is arrested for a DUI, her fall from grace is merciless. Her senator-husband leaves her, her Beltway friends disappear, and the tabloids pounce.

In Karolina, Emily finds her comeback opportunity. But she quickly learns Greenwich is a world apart and that this

comeback needs a team approach.

So it is that Emily, the scorned Karolina, and their mutual friend Miriam, a powerful attorney turned stay-at-home suburban mom, band together to not only navigate the social land mines of suburban Greenwich but win back the hearts of the American public. Along the way, an indispensable ally emerges in one Miranda Priestly.

With her signature wit, Lauren Weisberger offers an alluring look into a sexy, over-the-top world—and proves it's style and substance *together* that gets the job done.

Amazon.com Review

An Amazon Best Book of June 2018: In her latest novel, *When Life Gives You Lululemons*, Lauren Weisberger drops Emily Charlton, Miranda Priestly's uber catty assistant from *The Devil Wears Prada*, into the suburbs of Connecticut, and the result is hilarious. Emily, now in her 30s, is living in Los Angeles with a husband and a career as an image consultant—a career that is suddenly floundering—when she gets a desperate summons to Greenwich, Connecticut, from her old friend Miriam. Miriam's pal Karolina is all over the media with a bogus drunk driving charge, and this senator's wife and former Victoria's Secret model needs an image makeover, fast. The narrative is split between the three women as they uncover a major betrayal and in doing so form an enviable bond. The doings of the Greenwich housewives who are now shunning Karolina is uproariously funny, and even jaded Emily is shocked by the scandalous behavior going on behind oversized doors. It feels like Weisberger wrote her novel yesterday, peppering the story with real-life celebrity misconduct. *When Life Gives You Lululemons* is a laugh-out-loud funny look at rich people behaving badly and the steel bonds of true female friendship. — *Seira Wilson, Amazon Book Review*
