From *New York Times* bestselling author K. Bromberg comes a new, sexy standalone about taking chances and finding love when it's least expected. *Or wanted.*

This whole contest was supposed to be easy. *I know, I know.* Famous last words.

It's a long story, but I messed up at work. *Big time.* To earn back the trust of my boss, I promised to save one of our magazines. Yep. That *Hot Dad* contest you've seen advertised all over the place was my idea. And if I'm successful, if I'm able to increase our online readership, then I get a shot at my dream job.

But the one thing I never expected to happen, happened: Contestant number ten, Grayson Malone. *Hello, Mr. Difficult.* And did I mention sexy as hell?

Unfortunately he knows me. The old me, anyway. And while we might be older now, I remind him of *before.* Of the woman who broke his heart, who hardened him, and who left him alone to raise the cutest little boy I've ever seen.

But I don't want a relationship. And I definitely don't fall for single dads with baggage. Even ones with chiseled abs and killer smiles.

But *he got to me. They got to me.* He and his son and their messy, crazy life. But I got to him too. I see the stolen glances. I feel the walls he built start to crumble. I recognize that there's an unexpected beauty to the chaos in his life.

And now that the contest is about to end, we're left to decide whether the last six months were just fun or if what we have is worth risking it all?
